HEADLIGHT TESTING

Version 2025.03.30 – Prices on request

Training Headlight Tester | MLD 10 / 110 / 815 / 9000

Article number: D L60 000 02

New technologies such as Matrix / Matrix 2, DLA, and ILS are becoming increasingly established in the market. However, even the best systems only help make road traffic safer if they are correctly adjusted.

With Beissbarth headlight tester, you can effortlessly align even the latest light patterns, and in this course, we'll show you how.

Training content:

- Installation & maintenance of Beissbarth headlight tester
- Operation
- Firmware updates and component replacement
- Calibration
- Practical experience and troubleshooting

Course duration: 1 day

Requirements:

- Basic knowledge of vehicle diagnostics is an advantage
- Headlight testing guidelines
- PC/Laptop with admin rights
- SEP Pro access (optional)

The participation fee includes:

- One lunch per full training day
- Refreshments during breaks
- Training certificate

Any accommodation costs incurred are to be settled directly with the hotel by the participant. Feel free to contact us for recommendations.

Language: English Max. number of participants: 8 Training location: Friedrichshafener Straße 602, 82205 Gilching

Please note that this course will only take place if there is a minimum of 3 participants.

Training Levellable Test Platform | LTB 100

Article number: D L60 000 00

The inspection and adjustment of modern headlight systems require nearly 100% leveled vehicle setup areas according to the latest guidelines. With the LTB 100 adjustable test surface, this is possible without the need for complex foundation work.

Training content:

- Setup of the LTB 100, with and without the drilling template
- Training on the regulatory guidelines for headlight adjustment areas
- Tips & tricks for the optimal headlight adjustment area from practical experience

Course duration: 1 day

Requirements: None

The participation fee includes:

- One lunch per full training day
- Refreshments during breaks
- Training certificate
